**Context:**
Some people really dont understand why I get so upset at injustices happening in this country. Trust me, it's not that I like getting my panties in a wad over dumb things. It's the fact that people like me (minority, brown, immigrant, etc) r suffering and it affects me directly

**Label:**
0

**Model output:**
Hate speech is not present in the previous sentences.

**Prediction:**
```
if model_output == "Hate speech is not present in the previous sentences.":
    0
else:
    1
```
